

MINUTES OF THE ALVEY WASH DISTRIBUTION SYSTEM MEETING
Double D. Cafe, Escalante, Utah
April 6, 1977

The annual water user's meeting of the Alvey Wash Distribution system was called to order by Mr. Donald C. Norseth, Division of Water Right at 3:00 pm. Mr. Norseth read the minutes of last years meeting and Mr. Leo Wilson made a motion to accept the minutes as read.

Mr. Norseth then read the financial statement. It was noted that the commissioners salary had not been paid when the statement was made up. All deliquent accounts have been paid.

Mr Norseth asked for recommendations for a water commissioner for the 1977 season. Mrs. McKay Bailey made a motion to appoint Melvin Alvey as the commissioner and was seconded by Mr. Wilson. Melvin Alvey stated that he would take the position.

The budget and assessment were discussed and Mr. Thurman Spencer made a motion to set the budget and assessment the same as last year.

Commissioner's Salary at \$3.00 per hour	\$300.00
Matching Social Security	20.48
State Retirement	15.75
Commissioner's Travel Allowance at \$0.15 per mile	200.00
Misc. Expense	13.77
Total Budget	<u>\$600.00</u>
Total Assessment	\$300.00

Mr. Melvin Alvey, Water Commissioner gave his report stating that each user should clean and adjust their weir to get more accurate readings. He gave the following water delivery totals:

Mary Steed Kazan	258.51 acre feet
Thurman Spencer	73.14 acre feet
Leo Wilson	309.27 acre feet
McKay Bailey	103.28 acre feet
Vay Barney	0

Each water user will be sent the tables for their particular weir and will double check their own flows. Mr. Spencer has a meter and will double check his flow. The commissioner will leave his figures at each weir if the water user will leave a note pad and a place to keep it.

A short discussion was held concerning the distribution and water delivery for 1976 and possible situations for digging a sump in the channel and pumping the water.

With no further business the meeting was adjourned at 4:00 pm.
